# Kukoo's Life!

Kukoo's life started when he was born in the United State. His dad is from Mexico and his mom is from Guatamala. They both met here in the United States. When they left him he got sent to a pet store. After two or three days a young girl came in and bought him. The girl's name was Jessica. She took him everywhere. Jessica took him to a place where she learns how to talk right. Kukoo listened to what they were taking about. During that time he also learned how to talk. Jessica could talk but she forgets how to say some words. Kukoo had a better memory than Jessica so he started helping Jessica talk. Jessica kept telling her parents that Kukoo can talk. After a while her parents got agravated so they sold him to a barber shop. Then a customer came and Kukoo insulted him. The customer was surprized he could talk. He bought him for 500 dollors! The customer's name was Justin. Justin is a teenager about 15 years old. Justin took Kukoo down to Boston. Once they got there, Kukoo helped Justin do some realy bad stuff. He helped Justin steal a lot of money. But Justin wanted more money. He brought Kukoo to a really rich guys house. He wanted Kukoo to steal a 100,000,000 dollar watch. Kukoo snuck into the house and got into the money room. Right when Kukoo picked up the watch the owner found Kukoo and brought him to a science research lab. The people there were really mean. Kukoo didn't want to be there and he was really mad because all he wanted was to be back with Jessica. ~~He started crying and he started peeing.~~ So they locked him in a cage in the basement. After a day or two a Russian Janitor named Aleks came and saw him. Kukoo told Aleks about what happened with Jessica. ~~But then~~ Aleks just realized all the bad stuff that happend to him, ~~So~~ he got Kukoo out of there. After ~~about~~ a ~~long~~ trip they finally got to Jessica's house. Wow Jessica's a grown woman! Then Aleks went home. Jessica and Kukoo moved to Wareham Massachusetts. Now he always hangs out at the boys and girls club.

MEET KUKOO

Once there was a chick named Kukoo. Kukoo was the cutest new born chick in Santa Fe, New Mexico. Kukoo was born in the spring, March 9, 1961. Kukoo is a male Rooster with elegant front feathers on his wings. Kukoo has 9 sisters and 5 brothers. His sister's names are CeeCee, Penny, Shelly, Montana, Soleena, FeFe, Sara, Samone and Solee. His brothers' names are Ben, Jack, Joey, Syler and Brenden. The sisters are ages 6-16 and the brothers are 10-15. Kukoo's parents are in Texas in a rodeo contest for 50 years, so far they are winning. Kukoo flies north for the winter. He goes to Hawaii and relaxes with his friends CeeCee, Rocky and Colby. Kukoo has the ability to fly and he has hunting powers. He uses them to help people and fight evil. While in Hawaii Kukoo and his friends surf on the backs of dolphins and they spend their afternoons in comfy cabanas by the sea shore drinking from coconuts. Kukoo lives in a hole in an oak tree on Main Street. It is quiet. Quiet enough to take a very long nap after a long day of fighting evil. Kukoo's favorite foods are cupcakes, strawberries and apples. When Kukoo grew up he became the most handsome Rooster in Santa Fe.

The question on everyone's mind: Who is Kukoo? What is Kukoo like? I'll tell you.

First, I'll tell you about Kukoo's family. He has a mom and a dad in eastern Alaska. His brothers are Alejandro and Gus. Gus can really get into trouble. I'd sure like to meet them someday.

Okay, now to get down to business. Is Kukoo male or female? Where was Kukoo born? Kukoo was born in Rochester, Massachusetts. Yes, Kukoo is a male (boy). Now Kukoo knows where he came from and that he's a total male.

You might not think of this, but Kukoo has a favorite food and it is clam strips. Kukoo REALLY CRAVES this stuff. He slurps it down like a grizzly bear. The only problem with clam strips is that Kukoo pounds his chest if anyone comes close while he's eating his snack. That's all I have say about Kukoo's favorite food.

Don't look now, but Kukoo has SUPER POWERS, but Kukoo doesn't know that. He has super strength and super smart powers. Kukoo can lift at least 1,000,000,000 (one billion) tons. He can answer any question in a blink of an eye. I wish I had super powers like him.

Like a million other birds, Kukoo isn't perfect. Kukoo never migrates. He also doesn't celebrate any holidays, not even his own birthday. Hey, I'm not him at all.

Don't ask me any more questions about Kukoo. That is all I know about him.

Do you think Kukoo will go on a journey. He is in a magical forest with wampangs, wild tigers, wild men, wild women. He has 2 brothers and 1 sister. They love to play tricks on Kukoo but Kukoo didn't let that stop him. Then Kukoo eats a magical fruit called the walnut. When Kukoo eats it gives him some kind of powers. He can talk when he gets the magical powers. Kukoo grows so fast he becomes gigantic, enormous. Then he says "Brother and sister you won't stop me any more." He blows them away. It was pretty odd and unusual but he really didn't care. Kukoo felt very splendid about it. But then he said to his self "I did wrong so then so then he didn't feel so very clever any more." Kukoo went on a adventure through the woods. It was dark chilly cold freezing fright some times. Then in the morning,

I would get sunny and bright.  
It would warm up almost 90  
degrees. But in a twink of an  
eye he felt brilliant and clever.  
then it go dark again and it wasn't  
so very pleasant any more. It  
made kukoo pretty curious and  
fascinating. Then as the sun  
began to set it got colder.  
It was a challenging night.

But when morning came it was  
beautiful and extraordinary and  
delightful. Then as he went  
on and on he finally he  
found his brother's and  
his sister. It was such  
a delightful moment. Then  
they went home and gave each  
other hugs. Do you think  
Kukoo will have to go on  
another adventure? Silly

KUKOO

"Well, why don't you go and get it?" Just then Kukoo burst out of his towel and flew after the worm. "Kukoo come back!" Squaked his sister. But Kukoo could not hear Lucy. Kukoo noticed he was not in Canada anymore. Kukoo was heading strait for Iceland! Kukoo was starting to see puffins flying around. "Well, well, well look 'who came' to our land." Squaked the puffins.
