

Draft Motion

11/8/11

I move to request the Chair of the Capital Planning Committee to engage College and/or University Students to develop and complete a comprehensive financial study of the busing and transportation needs of the Wareham Public School District. Said study shall include the following components:

1. A complete financial analysis of the busing and transportation needs of the Wareham Public School District.
 2. An evaluation of privatizing the busing and transportation needs of the Wareham Public School District.
Recommendations to follow the study.
 3. The comprehensive study is due no later than March 1, 2012.
 4. A presentation of the completed comprehensive study will be made at a public hearing that includes: the Wareham Board of Selectmen, the Wareham School Committee, the Wareham Finance Committee and the Wareham Capital Planning Committee.
