Scotty was senselessly murdered on September 5, 2009. Scotty, always the peace keeper, innocently tried to stop a kid from being robbed. He was fatally shot in the head. His death has affected so many in our community. Scotty was a great kid, well liked and loved. As we try to make sense of it all, we know we do not want anyone else to go through this type of tragedy. The Scotty Monteiro Jr. Foundation has been established to Stop The Violence. We will educate, we will bring awareness and we will support our youth so we CAN Stop The Violence. All Proceeds will go to the Scotty Foundation and in turn go back out to our community and we will end violence with your support.
