# SHARE WITH YOUR COMMUNITY

Thank you so much for supporting the Wareham area Thanksgiving Basket Drive. You're creating a happy & abundant holiday for many families who need help this holiday season. This year the Gleason Family YMCA is coordinating collection & distribution of food items and we can't do it without you - this is truly a community effort. This fall we hope to provide over 200 families all the groceries needed to prepare a home cooked Thanksgiving meal on 11.21.16.

Non-perishable items needed: vegetables (can), fruit (cans), gravy, broth-any kind (cans), stuffing (boxes), mac & cheese (boxes), aluminum roaster pans.
