# TOWN OF WAREHAM

## DIGITAL EQUITY PLAN

The Town of Wareham is embarking on a six month planning process to prepare a **DIGITAL EQUITY PLAN**.

**DIGITAL EQUITY** is a condition in which all individuals and communities have the information technology capacity needed for full participation in our society, democracy, and economy (National Digital Inclusion Alliance).

Informed by state and local data and public feedback, the final plan will outline a path for closing the digital divide.

**Attend in person or virtually!**
